

Urban-Suburban Transportation Guide

Coordinated by

"The first and oldest voluntary desegregation program in the United States"

Transportation for program students is provided by the Rochester City School District.

The Rochester City School District (RCSD)
Transportation Department contributes to student achievement by ensuring that our students have a safe and reliable means of getting to and from school and school related activities on a daily basis.

They employ highly trained professional and dedicated bus drivers, maintenance mechanics, and office staff. First Student and Regional Transit Service (RGRTA) are subcontracted by RCSD to provide transportation for the Urban-Suburban Program under the Private, Parochial & Charter School designation.

The Rochester City School District transportation policy is set by RCSD Board of Education. The New York State Education Department requires school districts to provide transportation to elementary and secondary children who live more than one and one-half (1.5) miles from the school they attend. Private, Parochial & Charter School transportation may not exceed fifteen (15) miles as allowed by the New York State Education Department.

Rochester City School District Transportation Department and the Urban-Suburban Program, in cooperation with our service providers, strive to ensure that all students have a safe and pleasant trip to and from school every day.

Please remember that transportation is a privilege, not a right. Discuss bus safety with your child regularly in order to ensure that they have a safe and enjoyable trip!

There is no before/afterschool transportation for students in grades 3–12, parents are responsible. **For activities after 5pm**, students in grades 6–12 can use RTS by going to the main office and requesting an RTS pass at no cost to student (see How To Use the RTS 2+2 Pass on page 13).

BROCKPORT

For students in grades 4-5 that participate in before school activities, call Urban-Suburban at 585-249-7045 to make arrangement to ride the earlier middle school bus. Students will be notified of a pre-existing middle school stop that they can use, parents must take them to that stop. The stop will stay in place all year, unless otherwise informed. Students in grades 6-8 that stay afterschool (from dismissal until 2:45pm) can use the regular dismissal bus that takes students in grades 2-5 home. Students in grades 6-8 that stay afterschool must let the main office (Marleen Cain) know a week in advance. Ms. Cain will contact Urban-Suburban with the list of students staying afterschool that week. Urban-Suburban will contact parents to inform them of where their child will be dropped off. If the parent agrees with the drop off location, the elementary school driver is given a list of the students that will be riding the bus for the week and their drop off location. Any middle school student that uses the late bus will not be dropped off at their regular stop, but instead be dropped off at a pre-existing stop that is closest to their home and is assigned to a student that attends Brockport's elementary schools Fred Hill or Barclay. When elementary school students have early dismissal, this service will not be provided.

In addition, free RTS passes are always available for middle and high school students. Students can go to the main office to get RTS passes (see How To Use the RTS 2+2 Pass on page 13*).

Is transportation provided when schools are closed because of inclement weather or RCSD Superintendent's Conference Days?

No. When city schools are closed due to inclement weather or RCSD Superintendent's Conference Days, **no transportation** will be provided to **any schools or programs** served by the City School District.

In the event that schools are closed for the day due to inclement weather an announcement will be made on local T.V. and radio stations by 5:00 a.m.

If suburban schools remain open during inclement weather, it is the responsibility of the parents to decide if it is safe for them to take and pick up their children from school. Should parents decide it is unsafe to travel and do not take their children to school, it is considered a legal absence and will not be held against the student.

Can a bus travel a non-through (dead-end) or cul-de-sac street?

No. Non-through (dead end) streets and cul-de-sacs can present a challenge for school buses. There must be enough space on a court for the bus to turn around, without backing up. Backing up only increases the likelihood of danger to children, pedestrians, and other motorists.

Whom should I call if I have guestions about transportation procedures?

- Contact the Urban-Suburban Program 585-249-7045. Call the terminal if your child's bus is more than 15 minutes late, in the morning or afternoon (See page 1);
- Parents must inform the Urban-Suburban office and their child's school of any changes such as a change of address or phone number. Both must have accurate information.
- Urban-Suburban Transportation/Continuation Form must be filled out each year. The form is due in the Urban-Suburban office by April 30th each year. If you receive transportation information from your suburban district, disregard it; Urban-Suburban coordinates all transportation.

What should I do if I move?

Call the Urban-Suburban office 585-249-7045, at least 30 days in advance to prevent transportation interruptions. Parents should also notify their child's school of any changes. If the family moves outside the city limits, your child will become ineligible for the Urban-Suburban Program.

What should I do if my child's before/afterschool childcare changes?

Call the Urban-Suburban office, 585-249-7045. In September, due to the high volume of changes, assignments will take longer 2-3 weeks. During normal times allow 7-10 business days.

What do I do if I have a babysitter/day care provider?

Call the Urban-Suburban office 585-249-7045 to request transportation to a day care provider's address for students in Grades Kdq-8. The morning pick-up point must be the same every day (5 days per week). The afternoon drop-off point must be the same every day (5 days per week).

If my day care is located outside the City of Rochester will transportation be provided?

No.

Is a school district required to transport children of divorced parents to different locations on different days of the week?

No. According to the Commissioner of Education, a student can only have a single residence for school purposes even when that student's parents are divorced. There is no statutory or regulatory requirement that a district transport a student whose parents share joint custody to one parent's home on some days of the week and to the other parent's home on different days of the week. (School Law, 32nd Edition, Section 30:5) 7

Are there any restrictions on the length of time a student should ride to/from school?

No. Neither the Education Law nor the Commissioner's Regulations specify a maximum time limit for the transportation of students. The Commissioner of Education has rules that, depending on the circumstances, one-way trips of up to one-and-one-half hours are not necessarily excessive." (School Law, 32nd Edition, Section 30:15)

Can my child be dropped off at another location just this one time?

No, the driver is not allowed to pick up or drop off from an address not on record. While the District recognizes that emergencies occur, for the safety of your child, we cannot accept phone calls to change established transportation services.

Is there a bus attendant/monitor on the bus?

No, there is no State requirement that bus attendants/monitors be placed on runs.

What happens if my child gets on the wrong bus?

In the event a child gets on the wrong bus, instruct them to tell the bus driver so the mistake can be corrected and the child put on the right bus. Please be sure your child knows his/her phone number, address, route number, school name and school district name, and carries this information with them.

Do children have to wear seat belts?

Yes. All of our school buses are equipped with seat belts. Please remind your child to wear the seat belt. Safety is our first priority.

Who should I call if the bus does not arrive on time?

In the event your bus does not arrive as scheduled, please allow 15 minutes before you call the terminal. See page 1 for listing; when calling you MUST know your child's route number, their school name and district, and bus stop location.

Why is my child's bus late?

Weather, traffic, maintenance difficulties, illegally parked cars, and unforeseen incidents are responsible for delays in the arrival of school buses in the morning and afternoon. Drivers check their buses before their routes and sometimes find mechanical problems that can cause delays and require driving another bus for that day. This can cause the bus to be late. Please know that we are doing everything possible to have all buses running on schedule every day.

Why does my child have an assigned seat?

Seat assignments are a positive way for the ride to be consistent and safe by establishing a routine. Also assigned seats aid in the identification of each student should a substitute driver be needed. Assigned seats are a good tool for behavior management and can be subject to change.

What if my child leaves an item on the school bus?

The Rochester City School District is not responsible for any items left or lost on the school bus. As part of a post check, a driver occasionally finds items on the bus and brings them either to the front of the bus or the terminal dispatch office. Please check with the driver or terminal

Can large items be transported to school?

Children are not allowed to bring anything on the bus that they cannot easily hold on their lap. Items not permitted could include: musical instruments other than flutes or clarinets, glass, anything sharp, live pets, hockey sticks, lacrosse sticks, baseball bats, ski equipment, large equipment bags, large art displays, and any other items of similar size and shape. (School Law, 32nd Edition, Section 30:57)

Large items could easily become airborne and cause danger to your child and other students if the bus was involved in a sudden stop.

What about bullying on the bus?

The Rochester City School District will not tolerate bullying. New York State has just passed the Dignity for All Students Act which went into effect July 2012. The District is currently working on guidelines in accordance with this Act. If you have concerns about bullying on your child's bus, please contact Urban-Suburban immediately at 585-249-7045.

What do I need to know about school bus discipline?

If a student behaves in an unsafe or unacceptable way, an Unsatisfactory Bus Conduct Report will be filled out. Copies will be sent home to the parent, School Principal and the Urban-Suburban Program. It is expected that the parent will work with the child to reinforce positive behavior.

If a child receives a second Unsatisfactory Bus Conduct Report he/ she may be suspended from bus transportation.

The following behaviors are not tolerated by the Rochester City School District and will result in *immediate* suspension of transportation privileges:

- o Fighting
- o Injury to another student
- o Threatening behavior
- o Use of a weapon or instrument used as a weapon
- o Inappropriate sexual discussions or behaviors

Bullying, horseplay, profanity, hitting, pushing, screaming, yelling and any behavior that threatens the safety and well-being of others will be immediately addressed by the driver. If behavior continues, a disciplinary referral will be sent home and to the school. If behavior continues or escalates, further disciplinary action may result, including suspension of transportation privileges.

Are there video cameras on the buses?

Yes. Video cameras are used on school buses as a tool to aid school bus drivers and school administrators in monitoring behavior, thereby improving the over-all safety of the school bus and its passengers.

Regional Transit Service Information (RGRTA)

All students must wear and have visible their school ID and RTS bus pass while in the Transit Center.

How to find information on your child's RTS bus route

Information is available from the Regional Transit website at RGRTA.com. Select Trip Planner on the left side of the page and follow instructions to obtain the RTS route for your child to school. You may also obtain schedule and route information by calling 585-288-1700.

How to get a pass when school begins

Urban-Suburban delivers all RTS bus passes to the respective schools before the start of each school year. Parents are responsible for getting their student to school on the morning of the first day of school. Once the student arrives at school they should go to the main office and pick up their bus pass. They can then use it to get home.

How to get a replacement RTS bus pass when the original is lost

- Urban-Suburban students should go to their school's main office and request a replacement RTS bus pass.
- There is a \$2 fee for the replacement pass that must be paid at the time of the request.
- The school will contact Urban-Suburban and the office submits a request to RCSD for a new pass, it takes 7-10 days. During that time, parents are responsible for providing bus fare.
- Once replacement passes are ready, they are delivered to Urban-Suburban, then Urban-Suburban delivers it to the school.
- Each pass issued is equal to a year's cost of service. Please convey the importance of the bus pass to your child.
- Replacement bus passes can only be issued once.
- Parent assumes responsibility for transportation cost.

How to use the RTS Smartcard ID Pass

The RTS Smartcard ID Pass serves as your student ID and lets you travel on RTS buses during specific time periods. Please read the information below so you know how it works.

HOW TO USE THE RTS SMARTCARD ID PASS:

Show your ID Pass to the Bus Operator when you board the bus, and make sure your photo is visible. After that, it's "tap, beep, then take your seat." Tap the RTS Smartcard ID Pass on the Farebox, and you will hear a "beep" sound that confirms your card is valid. If you are not entitled to transportation services on RTS, you will hear, "Card not valid." In this case, you will be required to exit the bus or pay the \$1 fare. If you attempt to use an ID Pass that is not yours, an ID Pass that has been tampered with, or an ID Pass that the bus farebox indicates is not valid, the RTS Bus Operator is required to take it from you. Always make sure your child has bus fare in case of unforeseen emergencies. Please remember that transportation to school is a privilege, not a right.

The privilege can be taken away for misusing your ID Pass or improper behavior.

The RTS pass is for the exclusive use of your student ONLY. It can be utilized to board on regular school days, at any bus stop, from 5:30am to 9:30am. The pass is valid at the closest bus stop to school from 10:30am to 5:00pm. If a transfer at the Transit Center is necessary on the way to or from school, a Connection Pass must be requested upon boarding.

The RTS pass and your school ID must be displayed at all times in a lanyard around the neck when utilizing RTS services. The pass may be confiscated by RTS, RPD or any School Administrator as a result of inappropriate behavior. All students are subject to the RTS Rules of Conduct when utilizing RTS services, as well as when in the RTS Transit Center.

HOW TO USE THE RTS TWO PLUS TWO ACTIVITY PASS:

If you participate in afterschool activities (extra help, academic support, volunteer, participation on clubs and teams), you can get a free RTS Two Plus Two Activity Pass by going to the main office before the end of the day to request one. The RTS Two Plus Two Activity Pass is valid from 3:30 pm until 9:00 pm during the week and anytime on the weekends when presented with a RTS Smartcard ID Pass. The RTS Two Plus Two Activity Pass is also valid on holidays as well as during school breaks.
