

## Family Guide to Transition Planning: Preparing Students with Disabilities for Life After High School

**Please join us on August 6, 2025, from 9:00 AM to Noon  
in-person at 15 Linden Park, Rochester, NY 14625  
to learn about the Family Guide to Transition Planning.**

**This session will provide information and a tool that can be  
used to improve post-secondary outcomes for students with  
disabilities. It is open to families and caregivers, students,  
community agency representatives, educational professionals  
and anyone else supporting students with disabilities.**

Contact Laura Hurwitz at (585) 249-7814 or  
[laura\\_hurwitz@boces.monroe.edu](mailto:laura_hurwitz@boces.monroe.edu) with questions.

# **SPECIAL EDUCATION 101: TRAINING OF THE PARENT MEMBER**

## **August 11, 2025**

### **9:00 - 10:30 am (Zoom Session)**

This training will provide an overview of regulatory guidance related to the special education process and Individualized Education Program (IEP) development. This training is for family members who are interested in becoming or who already are Parent Members of the Committee on Preschool Special Education (CPSE) and/or the Committee on Special Education (CSE) and educational or agency-based professionals who support the process.\*

- This session consists of both an asynchronous and a live portion.
- Please review the recorded slides in advance of the live session.
- The slides can be accessed using the link that is included in the confirmation email that you will receive once you register.
- Following the live session presentation, participants will receive additional resources related to the topic.
