Electronic Schedules and Grades:

- **Important!** To access your student's schedule and grades you must log in to the **Cooperative Summer School SchoolTool system**. (If your district uses SchoolTool, this will be a **separate** link and login.)
- Please ensure your email address is current in the district's system in order to receive login information.
- **July 2 & 3: Login information** will be emailed to parents *and* students following student course enrollment. Emails may appear in spam/junk folder.
- Access Summer School SchoolTool through login email or the M1B summer school site (Links below).
- **July 8:** Students' summer school **schedules** will be available through the SchoolTool Portal.
- **August 4: Session 1 grades** will be available through the SchoolTool Portal.
- **August 22: Final grades** will be available through the SchoolTool Portal.

Reminders:

- Please review our Code of Conduct and Parent/Student Handbook on our M1B Summer School site.
- Students taking math or science classes are encouraged to bring their own calculator.
- Students enrolled in a remedial course can miss a maximum of 2 days, otherwise they will be ineligible to receive course credit. There is no attendance requirement for review classes.
