Summer is coming soon. You may be thinking about what your students will do for meals while school is out. The good news is that the U.S. Department of Agriculture (USDA) has partnered with Greece Central School District to serve **FREE** meals. It's food that's in, while school is out. The other good news is that there are no income requirements and no registration necessary. The Summer Food Program is fully funded by the USDA. Any child 18 and under is eligible to participate. Transportation will not be provided to participate in the Summer School Food Service Program.
