

Dear Parents and Guardians,

We are excited to celebrate our Class of 2020 students during the week of June 8th- 11th! We sincerely hope you are able to join us as we celebrate your child's accomplishments. As noted previously, we will be completing a "Drive Thru" ceremony. Each EMCC program has a specific date and time for students to attend the ceremony. Please see the attached calendar for your child's date and time. We have also included a map to show you where you will park, along with the flow of traffic.

Below is specific guidance to help make this a memorable and safe celebration for the Class of 2020:

- Celebration will start promptly at the times designated in the attached calendar
 - Example: Nail Technology will start promptly at 2:00 on June 8th
 - Plan to arrive 15 minutes before your start time as noted in the calendar
- Parking attendants will direct cars to drive past the pool to the bus loop
- When directed, the car(s) will drive into the bus loop, towards the EMCC flagpole entrance
- Car(s) will stop at the stairs
- Student will get out, everyone else in the car will remain in the car
- Pictures will be taken by a photographer
 - Photos of your child will be available for download
 - A link will be provided to you to access the pictures at a later date
- Student will receive a bag with their certificate
- Student will get back into the car and drive away

We hope you will be able to make it to the ceremony, and we look forward to seeing you there!

Sincerely,

Mike Ehret, Principal
Eastern Monroe Career Center
