

## Number Fun

1. A straight line down and 1 is done.
2. Around, down, and back on the railroad track goes 2, 2, 2 (read as choo, choo, choo).
3. Around the tree, around the tree, that's the way we make a three.
4. Down, across, and down once more, that's the way we make a four.
5. Down and around, make it fat. Number five wears a hat.
6. Down and around, make a loop. Number six rolls a hoop.
7. Across, slant, then you're done - writing seven can be fun.
8. Make an "s", but do not wait. Come back up, you've made an eight.
9. A loop and a line, makes number nine.
10. Pull down straight, lift, and then curve down, curve up - that's a ten.
